

Each marked-up (LOCAL) policy in this collection reflects an automated comparison of the updated policy with its precursor, as found in TASB Policy Service records.

The comparison is generated by commercially available software with changes shown in red. Additions are underlined and deletions are struck through. While the software competently identifies simple changes, it generally handles major rewrites of policies—including the rearrangement of existing provisions, with or without extensive editing—with less dexterity. For further assistance in parsing changes, please refer to the explanatory notes in your Localized Policy Manual update packet, if applicable, or contact your Policy Consultant/Analyst.

COMPENSATION AND BENEFITS
SALARIES AND WAGES

DEA
(LOCAL)

The Superintendent shall recommend to the Board for approval compensation plans for all District employees. Compensation plans may include wage and salary structures, stipends, benefits, and incentives.

PAY ADMINISTRATION

The Superintendent shall administer the compensation plans consistent with the budget approved by the Board. The Superintendent or designee shall classify each job title within the compensation plans based on the qualifications and duties of the position. Within these classifications, the Superintendent or designee shall determine appropriate pay for new employees and employees reassigned to different positions.

ANNUAL PAY
INCREASES

The Superintendent shall recommend to the Board an amount for employee pay increases as part of the annual budget. The Superintendent or designee shall determine annual increases for individual employees, within budgeted amounts.

MID-YEAR PAY
INCREASES

A contract employee's pay shall not be increased after performance on the contract has begun unless there is a change in the employee's job assignment or duties that warrants additional compensation. Any such changes in pay during the term of the contract shall require Board approval.

CONTRACT
EMPLOYEES

NONCONTRACT
EMPLOYEES

The Superintendent may grant a pay increase to a noncontract employee after duties have begun only when there is a change in the employee's job assignment or duties, or when an adjustment in the market value of the job warrants additional compensation. The Superintendent shall report any such pay increases to the Board at the next regular meeting.

CLASSIFICATION OF
POSITIONS

The Superintendent or designee shall determine the classification of positions or employees as "exempt" or "nonexempt" for purposes of payment of overtime in compliance with the Fair Labor Standards Act (FLSA).

EXEMPT

The District shall pay employees who are exempt from the overtime pay requirements of the FLSA on a salary basis. The salaries of these employees are intended to cover all hours worked, and the District shall not make deductions that are prohibited under the FLSA.

An employee who believes deductions have been made from his or her salary in violation of this policy should bring the matter to the District's attention, through the District's complaint policy. [See DGBA] If improper deductions are confirmed, the District will reimburse the employee and take steps to ensure future compliance with the FLSA.

COMPENSATION AND BENEFITS
SALARIES AND WAGES

DEA
(LOCAL)

The Superintendent or designee may assign noncontractual supplemental duties to personnel exempt under the FLSA, as needed. [See DK(LOCAL)] The employee shall be compensated for these assignments according to the District's compensation plans.

NONEXEMPT

Nonexempt employees may be compensated on an hourly basis or on a salary basis. Employees who are paid on an hourly basis shall be compensated for all hours worked. Employees who are paid on a salary basis are paid for a 40-hour workweek and do not earn additional pay unless the employee works more than 40 hours.

A nonexempt employee shall have the approval of his or her supervisor before working overtime. An employee who works overtime without prior approval is subject to discipline but shall be compensated in accordance with the FLSA.

COMPENSATORY
TIME

At the District's option, nonexempt employees may receive compensatory time off, rather than overtime pay, for overtime work. The employee shall be informed in advance if overtime hours will accrue compensatory time rather than pay.

ACCRUAL

Compensatory time earned by nonexempt employees may not accrue beyond a maximum of 60 hours. If an employee has a balance of more than 60 hours of overtime, the employee will be required to use compensatory time or, at the District's option, will receive overtime pay.

The following provisions shall govern the accrual of overtime pay and/or compensatory time:

1. If an employee is terminated and has accumulated overtime, the employee shall be paid at a rate of 1-1/2 times the hourly rate.
2. For purposes of calculating overtime, the work week shall be 12:00 a.m. Saturday until 11:59 p.m. Friday.
3. For purposes of calculating overtime, vacation, sick leave, personal business leave, and holidays shall not be counted as time worked.
4. All nonexempt employees are entitled to a duty-free lunch. Therefore, overtime cannot be accrued during the duty-free lunch period. Should an emergency arise that interferes with the duty-free lunch time, the supervisor shall ensure that an uninterrupted time is provided as soon as possible.

DOCUMENTATION
PROCEDURES

The following procedures shall be used when documenting overtime:

COMPENSATION AND BENEFITS
SALARIES AND WAGES

DEA
(LOCAL)

1. The only documentation that shall be accepted is the District's form, with the supervisor's approval.
2. To be official, this documentation shall be submitted to the business office ~~once a month~~weekly along with the regular time sheet.
3. Overtime shall be compensated by compensatory time at 1-1/2 times the time worked unless otherwise noted. An exception might be work done as part of a special project or grant.

USE

An employee shall use compensatory time within the duty year in which it is earned. If an employee has any unused compensatory time remaining at the end of a fiscal year, the employee shall receive overtime pay.

Compensatory time may be used at either the employee's or the District's option. An employee may use compensatory time in accordance with the District's leave policies and if such use does not unduly disrupt the operations of the District. [See DEC(LOCAL)] The District may require an employee to use compensatory time when in the best interest of the District.

ANNUALIZED SALARY
REQUIRED

The District shall pay all salaried employees over 12 months, regardless of the number of months employed during the school year. A salaried employee shall receive his or her salary in equal monthly or bimonthly payments, beginning with the first pay period of the school year.

EARLY
SEPARATION

If a salaried employee separates from service before the last day of instruction, the employee shall receive in his or her final paycheck the unpaid amount the employee has actually earned from the beginning of the 12-month pay period until the date of separation. For purposes of this policy, "separation from service" shall be as defined in IRS regulation 26 CFR 1.409A-1(h).

A salaried employee who separates from service on or after the last day of instruction shall be paid as follows:

1. An employee who is retiring under the Texas Teacher Retirement System shall receive in his or her final paycheck the unpaid amount the employee has actually earned from the beginning of the 12-month pay period until the date of separation. If the employee is eligible and elects to continue enrollment in the District's group health coverage for one or more months of the summer, the employee's share of premiums shall be withheld from the final paycheck.
2. All other employees shall be paid according to the annualized salary provisions above.

| FREEDOM FROM RETALIATION | Neither the Board nor any District employee shall unlawfully retaliate against an employee for bringing a concern or complaint. [See DG] |
| NOTICE TO EMPLOYEES | The District shall inform employees of this policy. |

The Level Three presentation, including the presentation by the employee or the employee's representative, any presentation from the administration, and questions from the Board with responses, shall be recorded by audio recording, video/audio recording, or court reporter.
